“I love writing speeches about why all children should have an education. I feel I am doing something to try and help make a change as it is not right that not everyone gets to go to school. I felt powerful delivering my speech to MSPs as they are listening to my views.”

Morgan, P.7 Pupil at St Eunan’s Primary

“The partnership between my school (Kilpatrick Primary) and Saint Eunan’s has allowed the children to be part of a group. They are talking confidently about their new friends and feel included and part of something special.”

Michelle, P.5 Class Teacher
